AUSTRALIAN MADE - PORTABLE FIRE PIT & COSY WOOD HEATER

Everyone is impressed with my new camping equipment!
Great successes!
- Clare

Good for cooking heavypots, Jaffles & Great to sit by with wife
- Andy, 2022

You get a lot of heat from a small amount of wood!
- Bob -2022

Light, small, compact. Heat is more focussed than others. Carry bag doubles for wood collecting
- James, 2022

Love it. Quirky, puts out good heat & much lighter than most - Shane, 2022

Very little waste!

Full kit extras list:

- Large carry bag;
- Deep stainless steel holding tray (45 X 35 X 5 cm);
- Aluminum BBQ plate (3mm thick, 36cm x 24cm);
- Heavy duty stainless steel long tongs, 36cm;
- 3 stainless steel hooked cross bars to support heavy pots;
- Double lynch pin set for extra safety to secure base and grate.

Enjoy The Great Lightshow & Cosy Campfire Warmth

Versatile cooking!
Lunch, breakfast, billy tea, slow-cook meals, marshmallows & more great food
+ It is quick to extinguish by up-ending
